1. A non-refundable booking fee of \$250 is payable with this contract and the entire balance plus all unpaid expenses (1st shipping charges of \$350 INCLUDED in fee, \$350 for each additional shipment) will be payable prior to shipment of semen.
2. The Mare Owner shall agree that the mare offered for breeding shall be in sound breeding condition and free from infection or disease. Pregnancy exam must be completed within 30 days of insemination.
3. Mare Owner agrees to assume responsibility for all facets of breeding the mare and agrees to use all semen provided under this agreement solely to breed the Mare named above. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from any act or omission of the Mare Owner (this shall include abuse or neglect). No rebreed fee shall be due should a rebreed become necessary. However, the Mare Owner shall be responsible for any shipping fees for rebreeds. Rebreeds are only available the year immediately following the initial contract breeding season.
5. A Breeder's Certificate will only be issued to the Mare Owner upon request and notification of birth of the foal. Mare Owner shall contact 307QH no later than August 15th of the foaling year.
6. Unless otherwise expressly agreed to in this contract, semen provided for this season shall be frozen semen. The mare owner shall be responsible prior to shipment of semen that the persons or entity performing the insemination shall be trained and prepared to handle frozen semen using deep horn frozen insemination techniques. All insemination attempts shall be via deep horn insemination techniques. Any attempt to inseminate the Mare by a person that is not qualified for deep horn frozen insemination shall automatically void the Live Foal Guarantee. Any attempt to inseminate the mare by techniques other than deep horn insemination shall automatically void the right to rebreed the mare.
